MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Garrison Policy Memorandum #10-08, Environmental Policy Statement

1. The United States Army Garrison, Fort Drum, conducts base operations and mission support functions to train, mobilize, sustain, and deploy active and reserve component combat-ready forces by operating, maintaining, and repairing infrastructure and facilities to create a world class installation. To accomplish this mission, we commit to:

- a. Complying with all applicable environmental policies, laws, and regulations.
- b. Continually assess activities and services to determine environmental impacts and insure they are considered in environmental program objectives.
- c. Promote environmental awareness through training and publicity.
- d. Prevent pollution at the source wherever and whenever possible and identify, research, and implement pollution prevention opportunities to reduce use of hazardous materials and generation of municipal solid and hazardous wastes.
- e. Strive to fully integrate environmental considerations with training and mission requirements so that environmental awareness and compliance are complementary to mission success.

2. Environmental compliance operation procedures can be found at the following website:  
<https://portal.drum.army.mil/garrison/pw/environmental/Environmental%20Programs/Environmental%20Handbook.aspx>

3. This memorandum will be available on the Fort Drum portal. Directors will ensure that copies are posted in directorate offices, shops, and work areas, as appropriate.
